

Toploader TWA1T610DLS

TECHNICAL DATA

Washing machine capacity: Classic 6 kg

Energy efficiency class: D

Maximum spin speed: 1000 rpm

Weighted energy consumption per 100 cycles: 64 kWh/100

Weighted water consumption based on the eco 40-60 programme: 43 l/cykl

Spin efficiency: C

Number of washing programmes: 16

Max noise level of spinning: 80 dB

Programme Eco 40-60 duration: 3:18 h:min

Airborne acoustical noise emission class (spin): C

Height: 87,5 cm

Width: 40 cm

Depth: 61 cm

Net weight: 56 kg

WASHING PROGRAMMES

Sport programme
